

WOW Program
Weekday Online Webinar
Learning Unit Programs
for AIA Members & Non-Members

Program Protocol:

- Platinum and Gold Sponsors are given the opportunity to provide an LU presentation marketed under our WOW program. However, sponsorship is not a guarantee of approval.
- All LU programs are approved for the WOW program by the AIA LBSB Professional Development Committee.
- Submission for approval of LUs to AIA's Continuing Education System and reporting of member LUs is at the discretion of the chapter. If presenter is not already an approved AIA CES Provider, presenter will be required to sign an AIA CES Speaker Agreement and adhere to AIA's CES protocols.
- WOW programs will be marketed via the chapter website calendar of events, the AIA California education calendar, placement in two weekly Chapter Happenings e-blasts, event listing on chapter Facebook fan page, and posts on other chapter social media accounts.
- Presenters are requested to provide chapter with a minimum of one image to be used in marketing efforts of program.

Contact our Executive Director with questions or to move forward with your WOW program or event posting at 562-989-1399 or email kristine@aialb-sb.org.
